The Honorable Charles L. A. Terreni
Chief Clerk/Administrator
Public Service Commission of South Carolina
101 Executive Center Dr.
Columbia, South Carolina 29211

Dear Mr. Terreni:

Pursuant to S.C. Code Ann. §58-9-576, AT&T South Carolina respectfully submits the following tariff pages for filing with the Public Service Commission of South Carolina:

General Subscriber Service Tariff

Section A3 - 12th Revised Page 2
 - 9th Revised Page 3
 - 13th Revised Page 4

This tariff filing increases the prices for flat-rated local exchange services for business customers ("1FB"), PBX trunks, Public Announcement Service Control Access Lines, Auxiliary Line Service, Telephone Answering Service Trunks, Back-Up Lines, and Joint User Service.

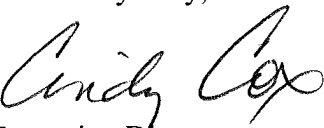

As clarification, these revised tariff pages do not reflect the new prices for Back-Up Line Service or for Joint User Service. These revised pages, however, have the effect of revising prices for these services because the Back-Up Line Service price is fifty percent (50%) of the corresponding 1FB price, and the Joint User Service price is twenty-five percent (25%) of the corresponding 1FB price. See AT&T South Carolina General Subscriber Service Tariff §§ A3.38.1.J; A103.5.2.A.1.

Except for flat-rated local exchange services for single-line business customers, the services affected by this filing are "other services" that are subject to Section 58-9-576(b)(5) of the South Carolina Code. With regard to flat-rated local exchange services for single-line business customers, AT&T South Carolina is allowed to adjust prices pursuant to the Gross Domestic Product-Price Index ("GDP-PI"), which is the inflation-based index the Commission adopted in Docket No. 2002-408-C. See S.C. Code Ann. §58-9-576(B)(4). Exhibit A to this tariff filing reflects a 1.54% increase in the GDP-PI from second quarter 2008 (108.061) to second quarter 2009 (109.726).

AT&T reserves its right to consider the cumulative change in the GDP-PI since it began operating pursuant to Section 58-9-576, as well as the \$1.00 reduction in the monthly price for flat-rate local exchange business service pursuant to prior settlement agreements with the Consumer Advocate, in future filings adjusting prices for flat-rated local exchange services for single-line business customers. In this filing, however, AT&T South Carolina is not increasing the price of any such service by more than 1.54%. The price adjustments reflected in this tariff filing, therefore, clearly are in compliance with applicable law.

Finally, the Company respectfully submits an explanation of this filing in the attached "Sample Notice of Filing," which is based on the document posted on the Commission's website. Although it is not clear that such a Notice is required for tariff filings, like this one, that are subject to the alternative regulation provisions of Section 58-9-576, AT&T South Carolina hopes the attached Notice will be useful to the Commission.

Yours very truly,

Cindy Cox

Executive Director

IF THE PLEADING IS A RATE CASE AFFECTING THE GENERAL BODY OF SUBSCRIBERS, LIST ALL CURRENT AND PROPOSED RATES AND ANY OTHER CHANGES TO THE COMPANY'S TARIFF CURRENTLY ON FILE WITH THE COMMISSION:

AT&T South Carolina's tariff filing is not a rate case, but in an attempt to assist the Commission, AT&T South Carolina states that, this filing increases the price of the certain business services as explained above.
